**Sledding Guidelines**

- Children must be supervised at all times by parents.
- Sledding is a hazardous activity and presents substantial risk. Use of the sledding hill is at your own risk.
- Only plastic saucers, sleds, and inner tubes are allowed. No metal edges, wooden toboggans, skis, or snowboards are permitted.
- Sledding is only permitted during daylight hours when the open sign is posted.
- Use the designated walking lanes to return to the top of the hill.
- No alcoholic beverages.
- No standing, kneeling, or interlocking of sleds. Must sled facing forward.
- Have fun!

**General Information**

- City of Syracuse Parks, Recreation & Youth Programs Department reserves the right to enforce all rules.
- For official hours of operation, visit the “Syracuse Parks & Rec” Facebook page.
- Failure to abide by sledding hill rules may result in dismissal from the site.
